TASTING NOTES

Bordeaux Clairet is a specialty that can only be found in Bordeaux. Its intense fruity nose gives the feeling of diving into a basket of red fruits. On the palate, they are soft sensations that make it a wine of thirst with more assertive character than a rosé.

It is suitable at all times of conviviality. It also goes with white meats like Saint-Jacques nuts.

REAWRDS AND GUIDES

Voted Oscar "Bordeaux de l'Eté 2014"

Hachette des rosés guides 2016-2017 : Merlot (60%) and Cabernet Sauvignon are the origin of this cherry red Clairet with copper highlights. The nose combines red fruits and quince jam: "a generous fruitiness that prolongs a round, smooth and silky palate, enlivened by a touch of vivacity welcome."
